

## Blue Care Network PCP Focus Network

PCP Focus is a special BCN Network of primary care physicians. The PCP Focus network includes all BCN-contracted hospitals, specialists and other ancillary providers. This product is marketed to individuals as Blue Cross Select, and small employer groups as PCP Focus, both on and off the Health Insurance Marketplace. The PCP Focus network is available in 20 Michigan counties, and members must select a PCP from the PCP Focus network.

Below is a list of the PCPs selected by BCN for this narrow network product offering. For more information, contact your BCN provider representative or UP Customer Operations at 248.593.0134.
